It has come to notice of the Commission that some candidates while filling up application form have filled the applications wrongly i.e. instead of mentioning diploma subject, they have mentioned name of University/institution name or similar other mistakes such as change of mobile number/e-mail as mentioned in application form because of that they would not be able to get intimation for downloading the admit card.

Therefore, in the interest of candidates it has been decided that if a candidate thinks that he/she fulfills qualifications for the posts mentioned in above groups and has not been intimated for admit card then such candidate is advised to visit the Commission's office at Panchkula either on 26<sup>th</sup> or 27<sup>th</sup> June, 2023 (9.00 AM to 5.00 PM) for presenting the documents showing his/her eligibility as per essential qualification and if he/she is found to possess eligibility as on cutoff date as per uploaded documents then Admit card will be issued for that post.

**Note:-**

1. Candidate must bring with him/her a printout of acknowledgment alongwith uploaded self attested documents and original documents.
2. New document shall not be entertained. Only those documents which were uploaded while filling up application form shall be considered. Candidates must ensure that the documents produced before the Commission should be clearly legible/readable and date of issuance must be clearly mentioned on all documents.

**Important instruction:-** Such candidates are advised to visit Commission's office at Panchkula in view of above if they don't get intimation on registered mobile/e-mail address by 24<sup>th</sup> June, 2023 regarding admit card.
