Notice

It has come to the notice of the Commission that certain private web-sites are uploading/circulating the fake cutoff marks of results of written examination declared by the Commission on 11.04.2017 for the post of Patwari against advt. No. 7/2015 Cat No.13 of Land Record Department, Haryana. As per practice, the Commission uploaded only the Roll Numbers of Candidates called for Scrutiny of Documents before interview on its website www.hssc.gov.in and never uploaded/declared the cutoff marks of any candidate/category for Scrutiny of Documents before interview/viva voce on its website.

The Commission strongly contradicts the same and other similar rumours in this regard on both cyber, social and print media. Haryana Staff Selection Commission reserves the right to initiate legal action against such rumour mongers under Information Technology Act 2000 and other provisions of law.
